To Advertisers.—The Vermont Daily Transcript has the largest circulation in St. Albans and in Franklin County, of any daily paper, and is, in that respect, the best medium for advertising.

## Local Items.

Interesting matter, original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

BUTTER.—As we predicted last week, the market has been very well filled, and butter has come down in price with a falling off in the demand. At least an average quantity was brought into this market to-day, and prices ranged from 30 to 35 cents, the latter figures being the highest paid, as far as we can ascertain.

The Brigade Band gave some beautiful music in the park last night.

THE LADIES' FESTIVAL.—The Festival which comes off to-morrow evening at Academy Hall—not Thursday evening as editorially stated in yesterday's TRANSCRIPT—promises to be a very pleasant affair. The "wax figgers" to be exhibited by "Mrs. Jarley" will be of themselves worth more than the price of admission.

## The Sheriff Question.

GEORGIA, Aug. 10,

EDITORS VT. TRANSCRIPT:

I have long favored the plan of volunteer candidates for public offices and I have often thought if I had an earnest aspiration for office that I would introduce the fashion of asking the support of those voters who were agreed with me in political sentiment, but I should hardly expect the support of persons of another political faith.

The volunteer candidate for Sheriff has many personal friends in this town, who have cheerfully supported him in the past, endorsed as he was by the Republican convention, who cannot now see their way clear to bolt a regular nomination in favor of their best friend without some assurance that he is identified with them in the support of Republican principles.

Should Mr. Soule see fit to clearly define his position on the great issues of the day I have no doubt that it would materially improve his chances for reelection.

Respectfully,

O. S. BLISS.

SWANTON, Aug. 10, 1868.

EDITORS TRANSCRIPT:

Why does not Mr. Soule, who announces himself a candidate for Sheriff, answer the questions propounded to him by one of our correspondents? I have been quite friendly to his reelection, thinking that the Sheldon convention did not deal fairly by him; but if he has been seeking the nomination at the hands of the Democrats, or in any way identified with that party, I, with others of his friends, must vote against him. Let him define his position, as long as there is some doubt about it.

REPUBLICAN.

DR. PATTON'S LECTURE.—The Rev. Dr. Patton, of New Haven, Ct., who is spending the season in Franklin County, and occasionally supplying the Congregational pulpit in this place, delivered, last evening, an interesting lecture on the "Stone Kingdom," of Dan. ii, 34, 35, 44, 45. We think a few of the leading points presented, will interest those of our readers who were unable to attend.

After a brief review of Nebuchadnezzar's dream and Daniel's interpretation of the same, the Dr. showed that the "image here spoken of, the beasts of Dan. vii, and the kings specially mentioned in Dan. viii, mean the same powers—the four universal kingdoms to bear rule over the earth. That these have had their day, and have all passed away but the divided state of the fourth kingdom. He claimed that the same law of interpretation should be applied to the fifth universal kingdom as to the others, which would make it a literal, civil government. He considered briefly the two forms of government known to the world—the despotic and the democratic, and the antagonism existing between them. The "image" seen by Nebuchadnezzar symbolized despotic governments, the "stone cut out of the mountain without hands," a democratic government. He gave his reasons at some length why this could not mean Christianity, the Church, or Christ, as most people have held.

The leading purpose of the lecture was to show that this prophecy of Daniel has its fulfillment in the establishment of a republican form of government on this continent, and by an ingenious method of computation the prophetic periods of Daniel and Revelation were shown to extend to 1776. He spoke of the circumstances under which our government was established as proving divine care and protection. He said that the smiting process would go on till the despotic governments of the earth became "like the chaff of the summer threshing-floors," and "democracy" would be the government of the whole earth. The governments of Europe will have no part in this matter because they are the divisions of the fourth kingdom. He spoke of the popular movements in England as showing a leaning toward democracy, and that the old world was ripe for its establishment.

This sketch gives but a faint idea of this able lecture. The theory was novel, ingenious and well argued. The audience generally were well pleased, but those who have adopted William Miller's views of this subject would fail to concur.

IN COURT.—Lawrence McGarvey was brought before Justice Sherman this forenoon on a charge of committing a rape on Matilda Leprieze, wife of Wm. Leprieze, a resident on Lake Street. He pleaded "not guilty," and the examination was postponed until Friday next. E. A. Sowles appeared for the respondent, and Messrs. Hill & Safford for the State.

The fountain in the little park at the south end of the depot has been completed, and is now ready for operation when we have water enough.

COMING.—We learn from the St. Johnsbury Caledonian that quite a large party of the business men of Portland left that city on Monday to pass over the entire line of the Portland and Ogdensburg road to Swanton. They are expected to spend Wednesday night in St. Johnsbury proceeding by stages Thursday morning, and reaching Swanton Friday evening.

MORE ABOUT THE THIEVES.—We have some further particulars of the operations of William Jones and Henry Hickey, the arrest of whom was mentioned in yesterday's TRANSCRIPT. It has been known for some time past that there was a gang of thieves in Bedford, P. Q., who have made several marauding expeditions this side of the line.—On Friday night some of the gang stole as follows from the premises of the following persons in Highgate: Martin Hefflon, two harnesses; Edwin C. Haskin, one harness, one saddle, one bridle and one whip; Conrad Barr, one harness; H. Sanderson, one harness, Mrs. Watson, one buffalo robe; Jerry Cummings, jr., one harness. Deputy Sheriff James P. Place, of Highgate, and Constable Falley of St. Albans, on learning of the robberies, immediately set themselves at work to catch the thieves. Constable Falley proceeded to Bedford Sunday night and ascertaining that Jones and Hickey had left town evidently on another thieving expedition, returned to Highgate in due haste. He had hardly reached the old Stinehour Tavern where were in waiting Deputy Sheriff Place, and Messrs. Fitch and Kelley of the Custom House, when a wagon passed. The team was instantly stopped and Jones and Hickey apprehended, and brought to St. Albans. Constable Falley then returned to Bedford and found the harnesses and other property enumerated above in the sugar orchard of Judge Frohgh and they have been identified by the parties named. The tub of butter found in the wagon was stolen from Edwin Smith.

Great credit is due to Sheriff Place and Constable Falley for their untiring efforts in bringing the thieves to justice. Their examination is being had to-day at Highgate.

PERSONAL.—Hon. John C. Underwood, United States Judge of the Eastern District Court, of Virginia, arrived at St. Albans from Montreal last night, stopped at the Weldon House, and left for the South on the Steamboat train this morning.

Dr. Dix Crosby, for thirty years connected with Dartmouth Medical College, retires from the professorship of surgery the present year and will be succeeded by his son, Dr. Alpheus B. Crosby, for some time assistant professor of surgery in the Medical department of the University of Vermont.

The Argus says that J. P. C. Cottrill, of New York, formerly of Montpelier, but more recently of Milwaukee, is to address the Seymour and Blair club of Montpelier this week, and is thereafter to stump New York State for Seymour and Blair.

The University of Vermont, as has been stated in the TRANSCRIPT, at commencement last week, conferred the *baccal* degree of A. M. on our fellow townsman, L. L. Dutcher, Esq. Mr. Dutcher says that this intended honor only reduces him in rank as he has been an L. L. D. all his life.

Gen. Sigel is President of a Republican club, instead of a Seymour club, as some of our exchanges have stated.

Democratic Meeting  
in Richmond.

## SOMETHING OF A RIOT!

The Validity of the Southern  
State Governments Recognized by the President.

NEW YORK, Aug. 11.

Details of the riot at Richmond last night state that the meeting was very large. Marmaduke Johnson, democratic candidate for Congress, was the next speaker, followed by R. E. Withers, democratic candidate for governor. Robert Ould was the first speaker. During his speech a negro on an adjoining shanty interrupted him, and finally a brick was thrown at the speaker's stand. A rush was at once made in the direction from which the brick came, and a cry was raised in the opposite direction. A fight was in progress then, and the other half of the crowd ran. Meantime a fine demonstration was made upon the shanty from which the brick was thrown, and amid the breaking of windows with bricks, the smashing of doors and the firing of pistol shots, the most fearful excitement prevailed. Just at this moment a fleeing negro made his appearance, pursued by a crowd, and some shots were discharged at him, but without effect. Some twenty pistol shots in all were fired; one white man was severely wounded by a brick on the head, and a number of others struck. Two negroes were mortally wounded, one in a dying condition. Several minor casualties are spoken of.

WASHINGTON, Aug. 11.

The instructions to Gen. Buchanan who commanded in Louisiana having met the approval of the President, and it being probable that Gen. Schofield, on account of sickness in his family, will not be present at the Cabinet meeting to-day at which those instructions were to have considered, they were forwarded through the army headquarters yesterday. They embody the fullest recognition of the validity of the Southern State Governments. These Governments, therefore, can now receive military aid from the general Government only in the same manner as could any of the older states. This paper is thought to make it certain that there will be no Congressional session in September.
